

Ave Maria!

28-02-21

By the Grace of Our Lord Jesus & through the intercession of His Holy Mother Mary I am here today to ask you for your prayers.

In recent times I have been made aware of an international organisation called 40days for life. You may already know of it. It is the world largest grassroots movement to end abortion. Until recent small groups as well as single individuals have been holding vigils outside abortion clinics while praying for mothers and babies (and staff too). Covid19 restrictions have now made that impossible. I am here to ask you to offer a daily portion of your time and pray for those babies and those mothers who are undergoing tough times. That's mothers who are about to make the terrible decision on whether to terminate their pregnancy. We are Catholics, we believe in miracles because we know that miracles do happen. But Jesus teaches us in the Gospel it cannot be given what is not been asked. Thus, I am asking you with all my heart, to join me and thousands of others from around the world to make this miracle happen. **Pray the Holy Rosary with us!**

On a practical note, it's a 24hour vigil based on a daily schedule. That's, Monday to Sunday. Night times can be the hardest to bear witness to. It may however be that you suffer from insomnia or that you want to offer one hour for your Lenten penance? You may want to pray in the intimacy of your home or while taking your daily walk. You may want to pray alone or with your family. Whatever your circumstances let's pray the Holy Rosary that the Love sent forth by us all, will bring about unexpected and glorious changes in the life of mothers otherwise condemned to despair and in that of babies, otherwise condemned to death. If you think that you can commit one hour or perhaps half an hour a day to such a beautiful cause please, get in touch with me and I will put your name down in the daily schedule. You may want to commit till Easter or until the end of the year or until abortion will have come to an end. That is entirely up to you. Kindly, share this information with family, friends and parishioners who may not have been able to come to church in recent times so that they too may have the chance to join in.

May Our Lord Jesus through Our Mother Mary, bless you today and always! Amen. Sandra Ascari (Alina) 07377872817
